In the snowy Highlands of Scotland, Suzanne McBride is dreaming of the perfect cozy Christmas. Her three adopted daughters are coming home for the holidays and she can't wait to see them. But tensions are running high!

Workaholic Hannah knows she can't avoid spending the holidays with her family two years in a row. But it's not the weight of their expectations that's panicking her—it's the life-changing secret she's hiding. Stay-at-home mom Beth is having a personal crisis. All she wants for Christmas is time to decide if she's ready to return to work—seeing everyone was supposed to help her stress levels, not increase them! Posy isn't sure she's living her best life, but with her parents depending on her, making a change seems risky. But not as risky as falling for gorgeous new neighbor Luke!

As Suzanne dreams of the perfect McBride Christmas unravel, she must rely on the magic of the season to bring her daughters together. But will this new togetherness teach the sisters that their close-knit bond is strong enough to withstand anything—including a family Christmas?
